

To: All ACSI Distribution

Effective June 15, 2026, ACSI will update Price Book #11 with price increases to the following products:

- All ACSI Series 1100 supplied electric hinges and electric pivots.
- ACSI Series 1500 supplied Schlage, Corbin, ACCENTRA, Sargent, BEST, Falcon and Dorma electric mortise and cylindrical locks.
- ACSI Series 1200 Quick Connect Systems Harness Assemblies.

This price increase is 5% or less for all products. This price increase is due to the above listed manufacturers recent price increase to ACSI and the door and hardware market.

All ACSI electric hinge modifications, electric lock modifications and other products will remain unchanged.

ACSI will maintain our current tariff surcharges at this time. Our goal is to have Price Book #12 introduced in the first quarter of 2027. This new Price Book will update pricing that will incorporate any tariff surcharges into the new list prices.

Listed below are current tariff surcharges in place:
